Senate Bill 3

Senate Bill 3 (and House Bill 3) were passed by the 80th Texas Legislature and took effect September 1, 2007. Article 1 of Senate Bill 3 (and House Bill 3) addresses Environmental Flows, creating the Environmental Flows Allocation Process.

A copy of Article 1 of Senate Bill 3 was distributed to Stakeholders by the Texas Commission on Environmental Quality staff at your first meeting. We have reserved this section of the binder for that document.
